

BETA Factory Warranty for BETA Switches. Range Model code B. / C. / W. / G3

BETA guarantees aforementioned products to be free from defects in material and workmanship for a period as stated below, from date of shipment Ex Works The Netherlands.

User Friendly range **Model code C. / W. / G3 - 36 months.**
BETAMINI **Model code B. - 12 months.**

A suspected defective product should be delivered duty-free at the BETA factory for examination.

If BETA determines that the product is defective with reference to the aforementioned, it will repair or replace any part or parts without charge for materials and return the repaired or replaced product to the customer.

This guarantee is limited to the repair or replacement of any part or parts of a product that BETA has determined to be defective.

BETA disclaims any kind guarantee, liability, obligation, consequential, or third party damages, directly or indirectly, whatsoever, if the product has been altered, misapplied, misused, improperly installed or otherwise abused.

Note: *All wetted parts, these are parts in touch with the process / process medium, directly or indirectly, are explicitly excluded from this factory warranty.
Processes vary from plant to plant and concentration of harmful fluids, gasses or solids vary from time to time in a given process.
Empirical experience by users should be the final guide and alternate materials based on this are generally available.*

Claims pertaining to warranty should be reported to BETA **prior to any return or attempt** to repair locally. Contact us through your **local BETA distributor** or e-mail : **2sales@beta-b.nl** , through our website **<https://beta-b.nl/contact-us/>** or by **phone : + 31 70 3199 700.**

Your claim should be accompanied with information on the unit, model code and serial number (all to be found on the name plate) and a description of the defect and application. After receipt BETA will review the claim for warranty and will inform you accordingly. Should a return to the factory be required BETA will agree with you on the most convenient way to return the respective unit accordingly and BETA will submit a Return Product Form if necessary.
